

## Second meeting on Colossians: WARM GREETINGS (1:1-2)

- At home, before meeting: read Chapter 1: 1 – 23 several times, make your personal discoveries: how do the words relate, come back etc.
- At home, before meeting: take 10 minutes just to look at verses 1-2 (I know this can be very hard, but try, look, ask questions, pray)
- In the meeting:

Introductory question:

- Share what is the normal way in your culture to greet each other?

Pay attention to the text (sender of letter, recipients, greeting); meaning and message. First ask God to give you as LG the presence and help of the Holy Spirit.

Go deeper in your discussion:

- How does God connect to us?
- Saint/holy people: have you ever thought about yourself in this way?
- We are an intercultural community. Is it important for you to be part of the community and is it important for you that it is intercultural? How can we grow in being an intercultural community?
- Greeting as a basic way of missional living: is this new for you? Ask God that all of you will exercise this and will have some wonderful experiences with greeting people.
